**Single Post**  
Tee Signage Collection

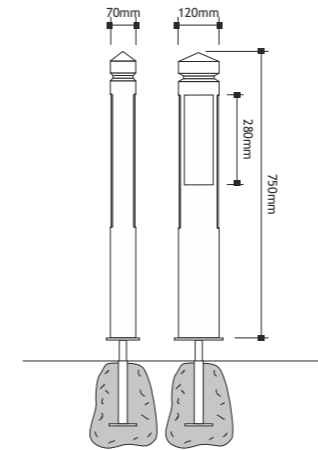

## Canterbury (Single Plate) Post (HW003)

Single etched zinc plate, recessed in to an Iroko hardwood post.

Post is 750mm high and comes complete with 2-part post sleeve.

The coloured band around the top of the post is an optional extra

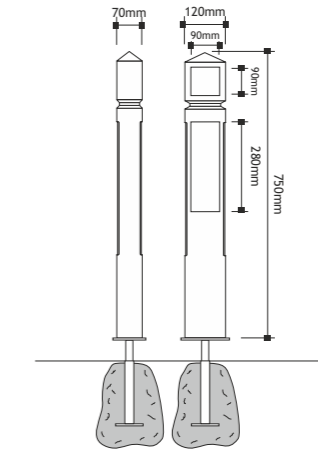

## Canterbury (Logo Plate) Post (HW003L)

2 etched zinc plates, recessed in to an Iroko hardwood post.

Top plate displaying club logo with hole information on bottom plate.

Post is 750mm high and comes complete with 2-part post sleeve.

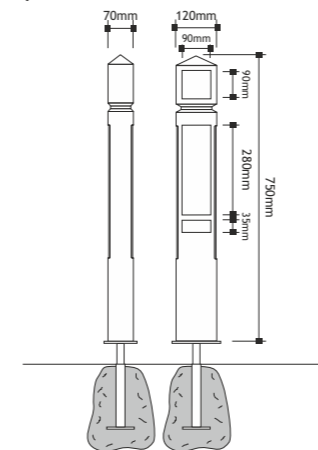

## Canterbury (SI Plate) Post (HW003LS)

3 etched zinc plates, recessed in to an Iroko hardwood post.

Top plate displaying club logo with hole information on middle plate and SI displayed on a separate plate at the bottom.

Post is 750mm high and comes complete with 2-part post sleeve.

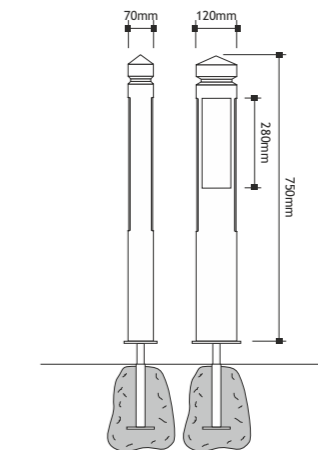

## Canterbury (Cast Bronze) Post (HW003CB)

High quality Cast Bronze plaque recessed in to an Iroko hardwood post.

The background of the bronze is specially treated and the tops are simply polished.

Post is 750mm high and comes complete with 2-part post sleeve.

# Single Post Tee Signage Collection

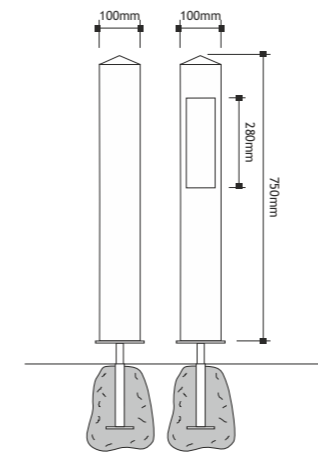

## Woodland (Single Plate) Tee Post (WD011)

Simple but very effective, alloy plate mounted to the face of a Softwood Post

Post is 750mm high and comes complete with 2-part post sleeve.

Compliments the rest of the "Woodland" range.

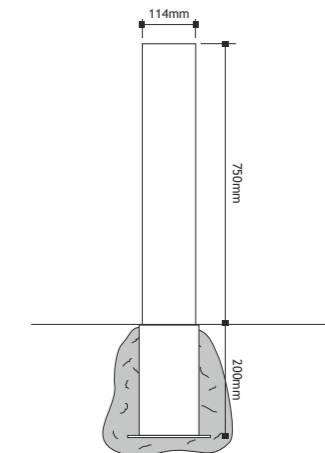

Woodland (Single Plate) Tee Post

## Brunell Round Tee Pole (A008)

Simple but effective, the pole is manufactured in alloy which is stove enamelled.

Graphics are produced in self adhesive vinyl, which are applied to the surface.

Includes post sleeve.

Brunell Round Tee Pole

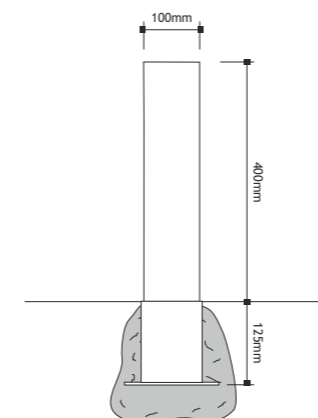

## Granite Single Tee Post (GR020)

What better way of complimenting a granite sign on the main tee?

100mm square piece of natural granite, slotted in to a post sleeve (included).

Text/numbering/graphics are engraved and filled.

Choose from a Black or Grey granite.

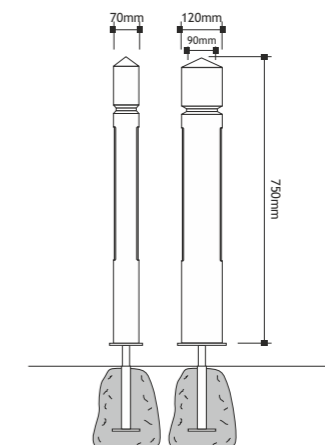

Granite Single Post

## Montreal Cedar Tee Post (C001)

The Western Red Cedar tee post is every bit as elegant as its twin posted counterpart.

All graphics are reverse engraved and the timber is then finished using coloured oils and stains.

Includes post sleeve.

Montreal Cedar Tee Post

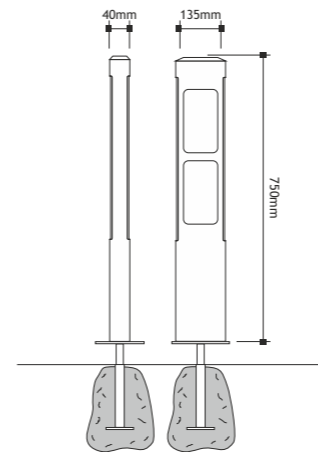

### Monaco Recycled "Slimline" Post (RC002)

For that golf course who is sensitive to looking after our environment.

The slimline version is simple but effective.

The graphics are printed on to recycled alloy plates which are recessed in to plastic post.

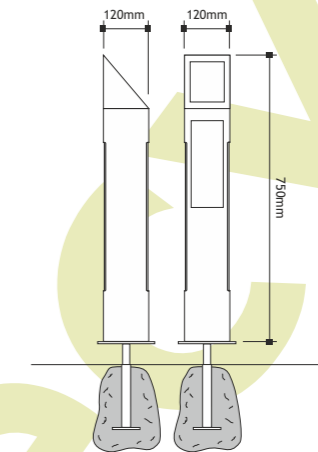

Monaco Recycled "Slimline" Tee Post

### Monaco Recycled Std Post (RC003)

The chunkier of the two recycled plastic posts.

The graphics are printed on to recycled alloy plates which are recessed in to plastic post.

Utilise the two plates to suit your requirements.

Monaco Recycled Std Tee Post

# recycle

look after our planet

Due to the ever-increasing importance to recycle & protect the environment, our recycled lumber is made from 100% recycled plastic. With the assistance of our suppliers it is our aim to help look after the environment by utilising a commodity, which people would otherwise just throw away, and so turn what to some would be rubbish into a valuable product.
