Circular Bronze Mow-over Tee Marker (CB/001)

Cast bronze mow-over marker disk.

Ideal mow-over option. The strong and robust style of the cast bronze ensures there won't be any long term damage.

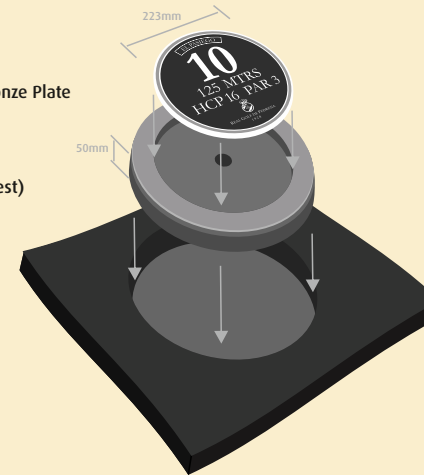

The bronze plaque will need to be maintained in order to keep the surface clear and legible.

Product can be supplied on its own or assembled into a sandstone plinth ready for simple placement in to concrete foundation.

8mm thick Cast Bronze Plate bonds into Plinth

Sandstone Plinth (available on request) with drainage hole

Turf removed neatly and base filled with sand for drainage

Also available in other sizes

Square Bronze Mow-over Tee Marker (CB/002)

Cast bronze mow-over marker plaque.

Ideal mow-over option. The strong and robust style of the cast bronze ensures there won't be any long term damage.

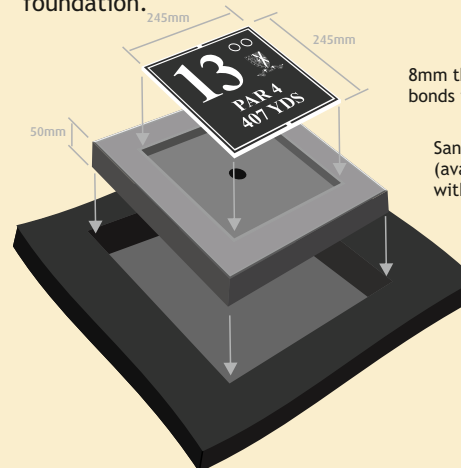

The bronze plaque will need to be maintained in order to keep the surface clear and legible.

Product can be supplied on its own or assembled into a sandstone plinth ready for simple placement in to concrete foundation.

Circular Granite Mow-over Tee Marker (GM001)

20mm thick granite disk with all text and graphics engraved and filled.

Ideal mow-over option. The strong and robust style of the natural granite ensures there won't be any long term maintenance issues.

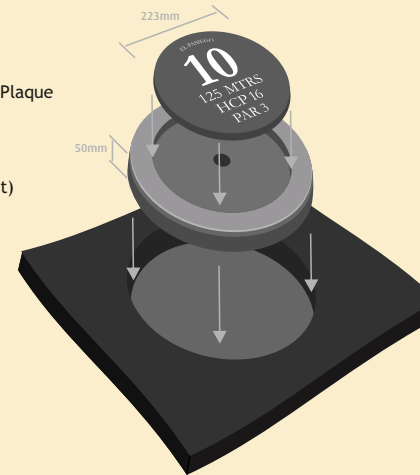

The granite plaque will not need to be maintained as much as the bronze option in order to keep the surface clear and legible.

Product is supplied complete with insert in rear and threaded bar for placement in to concrete foundation.
